Submit

- **Operation Description:** This is a short description of the operation
- **Operation Briefing:** This is a long briefing, use this to get players interested in what you're doing! Mention all the juicy details like who you will playing as, where you are deploying and who you're fighting!
- **Event Banner URL:** This is a link to a PNG/JPG/JPEG that will be used for your operation banner. *(this is optional)*
- **When does it start?:** This is the date and time of your operation.

4. Once submitted, you'll need to wait until a member of our staff approves your operation but you will receive your operation link from the PublicZeusBot.

 **PublicZeusBot** APP 19/05/2024 22:20
Your operation has been created!
It's currently awaiting approval but once that's done it will be announced to the rest of the community. You can share your operation with this link: <https://pubze.us/op59>

5. Once your operation is approved you will be notified again by PublicZeusBot, your operation will also then be announced to the `#community-operations` channel!

 **PublicZeusBot** APP 05/10/2023 13:17
Your operation on `05/10/2023 13:17` has been approved by our team and will now be announced! (+50pxXP)

 **PublicZeusBot** APP 07/10/2023 18:07

Op Now

You can plan an operation for right now on our Discord server by following the steps below:

1. Use the `/op now` command in any of our Discord channels

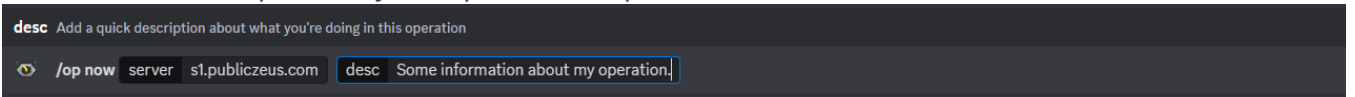

2. What server is your operation on?

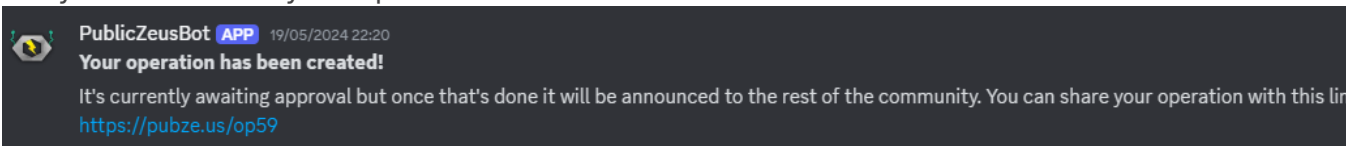

- This must be a whitelisted server (ie: Public Zeus server, Official BI server or JOC unit Server)

3. Add a short description of your operation. (optional)

4. Once submitted, you'll need to wait until a member of our staff approves your operation but you will receive your operation link from the PublicZeusBot.

5. Once your operation is approved you will be notified again by PublicZeusBot, your operation will also then be announced to the `#community-operations` channel!
